ECTS credits

1. Contact hours (academic hour = 45 minutes)

30 hours per semester, 60 hours per course

2. Student's total individual workload

90 hours per course

Course description

The course is designed mainly for students of political science and national security, but it can also be attractive for students of humanities, interested in current affairs, politics, and social phenomena. The course is based on authentic resources such as reading and listening materials, case studies and selected materials from textbooks. Students will be introduced to various current affair topics and asked to critically evaluate them. The main aim of the course is to present the students with vocabulary from different political and social fields and help them master the language necessary to discuss the abovementioned topics. The course will involve students' individual work as well as active participation in class discussions, delivering presentations, and taking part in problem solving tasks. As a result, students will be able to actively use the language related to current events in various contexts and environments, including academic and professional ones.

Course Content

Topics and vocabulary related to the following topic areas:

1. Language of the news
2. Politics – elections and voting
